## MAKING THE MOST OF THE INNERTUBE MAP...

- All routes shown are continuous, off-street traffic-free paths with dedicated cycle crossings at road junctions unless marked otherwise. The routes shown are not geographical, but are as accurate as possible. Distances between exits are indicative and not to scale.
- Other cycle routes exist, please consult the Edinburgh Spokes map for more detailed street mapping.

- All the exits shown are step free, unless marked otherwise. Other exits with steps are not shown – please consult the Spokes map.
- All routes are shared with pedestrians – please cycle with respect.
- Signage varies along the routes, and does not necessarily follow the logic of this map.
- To report faulty lights, missing signs, broken glass etc, please call **0800 23 23 23** or email [clarence@edinburgh.gov.uk](mailto:clarence@edinburgh.gov.uk)
- National Cycle Routes **1 75 76 754** go through Edinburgh, using many of the routes on this map. See [sustrans.org.uk](http://sustrans.org.uk) for more details.

With comments about this map, including suggestions, omissions etc, email [innertube@thebikestation.org.uk](mailto:innertube@thebikestation.org.uk)
